

Treasure hunt

Cut out the clues, hide them around the house or garden

1

HIDE HERE:

Behind the shampoo bottles in the bathroom

CLUE:

These bottles stand in a row in the bathroom.
The clue hides behind them.

2

HIDE HERE:

Under a folded tablecloth on a shelf

CLUE:

I cover the table for dinner and celebrations.
Look under my folded edge.

3

HIDE HERE:

Behind the row of books at the back of the shelf

CLUE:

Books can hide secrets between them. Look far
to the back of the shelf.

4

HIDE HERE:

In the inside pocket of a hoodie

CLUE:

I have a cosy front pocket. Stick your hand
inside me.

5

HIDE HERE:

Under a folded tablecloth on a shelf

CLUE:

I cover the table for dinner and celebrations.
Look under my folded edge.

6

HIDE HERE:

Behind a family photo on the wall

CLUE:

We are all smiling in this picture. Lift it gently
and look behind.

7

HIDE HERE:

Under a plate turned upside down

CLUE:

We eat dinner from these. One is turned the
wrong way today — look under it.

8

HIDE HERE:

In the child's favourite mug (placed upside down)

CLUE:

You drink hot chocolate from me in the
morning. Flip me over — what is underneath?

Cut each clue along the dashed line. Place them in order before the hunt begins.
